Address: 200 Poplar Street
Pittsburgh, PA 15223

WAREHOUSE CATALOG:

Stephany Associates is an HVAC Manufacturer's Representative specializing in mechanical and industrial equipment. We are a trusted partner for our local architects, building owners, contractors, developers, and engineers.

PRODUCT OFFERINGS

Precision Cooling, Mission Critical Applications, In-row, Drycoolers and Pump Packages

Bag-In Bag-Out Filter Housings, Full Containment Systems, Containment Modules

Photo Catalytic Oxidation (PCO) System to Reduce Airborne Contaminants and VOCs

Chemical Corrosive and Explosion Resistant Fan Systems

Architectural Air Distribution

Gas and Oil Explosion Proof Custom Equipment

Custom Airside Equipment, Make-Up Air Units, Custom Hoods

Full Fabric Duct Applications, Fabric Diffusers

Destratification Fans

Active Chilled Beams and Induction Units

Energy Efficient & Stackable Fan Array Systems and Designs

Breechings, Chimney, Flues, Subduct Systems

Mini-Splits, Heat Pumps, VRF Systems, ERVs, Unitary Equipment

Pre-Engineered Fire Suppression Range Hood Systems

Engineered Coil Solutions for Commercial and Industrial Applications

Radiant Tube Heaters, Full Radiant Vacuum Systems, Spot Radiant Heaters

Commercial, and Residential ERV,/HRV (95 - 11,000 CFM)

Dust Collecting, Fume & Mist Eliminators, Bag House Collection Systems

Ultra Efficient Liquid Desiccant Air Conditioning DOAS

Pre-Engineered Manufactured Rigid Outdoor Phenolic Ductwork Systems

In-Ceiling Cleaning for IAQ Filtration and Neutralization

Duct Silencers, Acoustical Enclosures, Commercial & Industrial Applications

Commercial & Industrial Extractors

Air Handling Equipment, Custom Air Units, Filter Housings

Gas Detection Sensors and Control Systems

Architectural Grilles, Registers & Diffusers, UV Grilles & Diffusers

Air-Cooled Water Chillers, Ductless Split Systems

Specialty Heating, Cooling, Dehumidification, Filtration and Energy Recovery Solutions

Louvers, Commercial & Industrial, Control Dampers

Fan Coil Units, Vertical/Stack, Replacement Fan Coil Systems

Full line of GRDs, Louvers, VAV and FPB, Life Safety and Control Dampers, Critical Environments including OR Ceilings, FFUs

Critical Controls, Fume Hood Controls, Room Pressure Systems, Venturi Valves, Fume Hoods, Sensors

Air Doors, Air Curtains, Strip Doors, Air Entrance Systems

Commercial and Industrial HLVS Fans

Humidifiers, Electric Heaters, and HVAC Controls & Valves

Commercial & Industrial Fan Systems, Laboratory Exhaust Fan Systems

Vehicle Exhaust Systems, Specialty Collection Equipment

AIO (All in One) High Efficiency Heat Pumps with Integral ERV, Filtration, and Bathroom Exhaust Inside Compact Single Package; Wall, Ceiling, or Vertical Options, with or without Integral ERV - R32 or R410A Available

Desiccant Wheel and Custom ERV Units

Garage Ventilation Systems, UL Smoke and Heat, Axial Ventilation

Industrial Ventilation, Custom Tunnel Ventilation Fan Systems

Luxury Wall, Ceiling, and Wall Accessories

Electric Heat, Explosion Proof Heat, Radiant Heat

Automatic Control Dampers, Manual Control Dampers, Zone Dampers, Cable Operated Dampers, VAV Diffusers

Heating and Cooling Radiant Ceiling Panels
