FOLLOW US ON LINKEDIN

Based in Pittsburgh, PA, we are the leading HVAC Manufacturer's Representative in the tri-state area, specializing in high-quality commercial and industrial equipment.

We proudly support diverse sectors, including Healthcare, Education, Residential, Tenant Fit-Out, Heavy Commercial, and Industrial.

PRODUCT OFFERINGS

Counter and Crossflow Open Loop Cooling Towers, Marine Grade 316 Stainless Steel Axial Fan Blades, Catalog, Replacement, Full Custom, & Field Erected Options Available

Architectural Air Distribution

Destratification Fans

Packaged Rooftops from (3-25 Ton), RTU Curbs/Adapters, Small and Large Split Systems (3-20 Ton), Gas Unit Heaters (30-400 MBH)

Mini-Splits, Heat Pumps, VRF Systems, Unitary Equipment

Commercial, and Residential ERV,/HRV (95 - 11,000 CFM)

Gas Detection Sensors & Control Systems

Louvers, Commercial & Industrial, Control Dampers

Air Doors, Air Curtains, Strip Doors, Air Entrance Systems

Vehicle Exhaust Systems, Specialty Collection Equipment

Highly Efficient, Reliable, Serviceable and Cost Effective Modular Air & Water Cooled Chillers, Surgical/Pharmacy/Lab Chillers, Heat Recovery Chiller, Air Cooled Simultaneous Heating/Cooling) & Reverse Cycle (Domestic HW) Heat Pumps

Industrial Ventilation, Custom Tunnel Ventilation Fan Systems

Critical Environment Air Conditioning with 24/7 Sensitive Temperature and Humidity Needs. Ceiling, Console, Floor Mounted (Upflow/Downflow), In-Row, Rooftop, and Wall Mount Options Available

Bag-In Bag-Out Filter Housings, Full Containment Systems, Containment Modules

Active Chilled Beams and Induction Units

Pre-Engineered Fire Suppression Range Hood Systems

Dust Collecting, Fume & Mist Eliminators, Bag House Collection Systems

Duct Silencers, Acoustical Enclosures, Commercial & Industrial Applications

Architectural Grilles, Registers & Diffusers, UV Grilles & Diffusers

Fan Coil Units, Vertical/Stack, Replacement Fan Coil Systems

Commercial & Industrial HLVS Fans

AIO (All in One) High Efficiency Heat Pumps with Integral ERV, Filtration, and Bathroom Exhaust Inside Compact Single Package; Wall, Ceiling, or Vertical Options, with or without Integral ERV - R32 or R410A Available

Suspension Solutions & Wire Hanging Systems for HVAC, Piping, & Other Construction Industries

Photo Catalytic Oxidation (PCO) System to Reduce Airborne Contaminants and VOCs

Custom Airside Equipment, Make-Up Air Units, Customs Hoods, Security Grilles

Energy Efficient & Stackable Fan Array Systems and Designs

Engineered Coil Solutions for Commercial and Industrial Applications

Ultra Efficient Liquid Desiccant Air Conditioning DOAS

Commercial & Industrial Extractors

Air-Cooled Water Chillers, Ductless & Ducted Fan Coils

Full line of GRDs, Louvers, VAV and FPB, Life Safety and Control Dampers, Critical Environments including OR Ceilings, FFUs, Duct Heaters

Innovative Unitary HVAC Solutions, Gas Furnaces, Central Air Conditioners, Ductless Air Conditioners, Heat Pumps, Hybrid Heating Solutions, & Condo Pack Through the Wall Units

Humidifiers, Electric Heaters, & HVAC Controls & Valves

Commercial and Residential Bathroom Exhaust Fans, Light and Speed Controller Options, Polymeric and Aluminum Grilles

Electric Heat, Explosion Proof Heat, Radiant Heat, Heat Trace

Chemical Corrosive and Explosion Resistant Fan Systems

Full Fabric Duct Applications, Fabric Diffusers

Breechings, Chimney, Flues, Subduct Systems

Fully Integrated, Modular, Prefabricated Solution Designed Specifically for Operating Room Ceilings that Integrate the Structural, Air Diffusion, & Lighting into a Single System

Radiant Tube Heaters, Full Radiant Vacuum Systems, Gas & Electric Spot Radiant Heaters

Pre-Engineered Manufactured Rigid Outdoor Phenolic Ductwork Systems

Air Handling Equipment, Custom Air Units, Filter Housings

Critical Controls, Fume Hood Controls, Room Pressure Systems, Venturi Valves, Fume Hoods, Sensors

Commercial & Industrial Fans, Laboratory Exhaust Fan Systems

Garage Ventilation Systems, UL Smoke and Heat, Axial Ventilation

Automatic Control Dampers, Manual Control Dampers, Zone Dampers, Cable Operated Dampers, VAV

Heating and Cooling Radiant Ceiling Panels
